Report to Review Child Protection Conference

To be held on(date)

Name of Child/ren

dob.

Report by (name)

Designation / Agency

Review conference reports should summarise your involvement since the last conference with reference to your responsibilities outlined in the child protection plan if applicable. Your report should contain information about each child’s health and development. Also include any information you have about the family and environmental factors and the capacity of the parent to ensure the child’s safety and promote their well-being
